Engineer Dean Dead.

Chas. H. Dean who was so badly injured in a wreck near Durbin last Tuesday morning at 6:30 o'clock, died this morning (Monday) at 7:15 at the Hinton Hospital. His death tho sad, was not unexpected as the hospital physicians gave no encouragement to his friends at any time since he was brought here.

The remains will be taken to Clifton Forge Tuesday morning on No. 4 and laid to rest on Wednesday afternoon, after funeral services at the Presbyterian Church at that place. A number of railroad friends will accompany the remains to Clifton Forge to attend the burial.

Mr. Dean had been in the employ of the C. & O. Company for the past 27 years and was one of its trusty and highly respected engineers. He came to Hinton in 1883 and was employed as engineer, having formerly worked on the Pennsylvania & Reading Railway. After working as engineer for a number of years, he was promoted to traveling engineer, holding that position a couple of years when the company abolished the position. He then moved to Clifton Forge and was in the passenger service until the Greenbrier Division was completed, when he moved to Ronceverte, taking a run on the Greenbrier road. He later moved his family back to Clifton Forge, but kept his run on the Greenbrier Division until he was fatally injured.

He was a member of Hinton Lodge No. 62 A. F. & A. M.; Hinton Lodge No. 101 Brotherhood of Locomotive Engineers and also a member of the A. O. U. W.

Few men have passed away in this city leaving more friends than Mr. Dean. His long service on the road and upright dealings with the business men of Hinton and elsewhere made him many warm personal friends who will be grieved to learn of his sad death. He leaves a wife and eight children, and a number of relatives in his native state of Pennsylvania.—Hinton Leader.

Jesse Gordon, son of M. W. Gordon was dangerously cut with an axe Tuesday, while working for Campbell Lumber Company. He was "bumping" knots, when he was called to look out for a falling tree. He ran up the log and as he was to step off the end the falling tree struck the log upon which he stood and threw him up in the air. In some way the axe buried itself in his thigh, inflicting a wound which required eighteen stitches to close. He is now at the hospital here.

Mrs. Amos J. Dilley died at her home on Thorny Creek on Thursday, February 10, aged about 50 years, of pneumonia. She had been an invalid for a number of years. She is survived by her husband and seven children, Mrs. Jasper Loury, and Miss Virgie; Hevener, William, Everett, Ernest and Harman. Mrs. Dilley was a member of the M. E. Church South, a consistent christian; a loving wife and mother; a kind and obliging neighbor.

Frank Dilley was very seriously hurt Tuesday by a horse falling and crushing his leg. He was hauling logs near his home on Stony Creek with a four horse team. The horse upon which he rode fell on the ice, mashing Mr. Dilley's leg against a pole. It is so badly mashed that it is feared it may be necessary to amputate it. Mr. Dilley is past middle age.

W. R. I. Waugh left with us an old flint lock rifle, which has come down to him from his grandfather, Samuel Waugh. The barrel is full regulation length, 48 inches, and takes about an ounce ball. The gun is well preserved, and without a doubt would shoot well yet.
